

Holidays and traditions

The love for country start with the love for the nativetoun, native language, native school.

Adress:
27 “Yordan Yovkov”
“Rechitsa”
Sliven
Bulgaria

The school building is modern and functional. There are 16 classrooms, biology laboratories, mathematics study, physics and chemistry laboratories, fine arts study, computer study, sport hall, fitness and library.

In the school campus there are a football field, two basketball courts, a volleyball playground and handball with mineral asphalt.

Made from children

Our pride is the football team, which is the municipal winner for 2007 and the second team in our region.

The history of our school is preserved in our school museum

A education and outclass activity is organized according to the most modern presentation methods. The application of interactive methods, the implementation of creative tasks, project work provoke interest.

The symbols of our school
